Homecoming Successful Despite Morning Showers

For the first time in sixteen years the annual Homecoming parade was on the verge of being cancelled because of rain. The sudden cloudburst Friday evening nearly put a damper on the 1962 Homecoming festivities. But all the diligent work and preparations were not in vain, for the clouds cleared, the sun shone and the gun sounded to signal the start of another Homecoming.

Thunderous applause greeted the many performers who took part in the Variety show Thursday and Friday evenings. M. C.'d by John Kelly and Dave Tandy, the Variety show featured ten skits and six in-between acts.

Phi Sigma Epsilon received first place with their rendition of Stalag 17. Sigma Sigma Sigma with "Winalot" and Alpha Sigma Alpha and their "Northwest Side Story" tied for first in women's division. Awaiting Release Of New Dining Room

Although to most students it appears as if the upstairs serving and dining rooms in the Union Building are finished, construction has not been completed. The college cannot make use of these facilities until they have been released by the contractor.

As soon as the rooms are available, tables and chairs will be provided and will thus eliminate the congestion.

Message from President Jones

"I would like to express my appreciation to those members of the student body and the faculty who made the 1962 Homecoming such a success. I realize the amount of work and sacrifice that goes into the homecoming activities. The results of all these efforts overwhelm me and fill me with pride in the accomplishments of the personnel of this college."

President J. W. Jones

Sky Diving Comes to Maryville

Learn the fastest growing sport in the nation. Jump with the Nodaway Sky Divers. As one of 10,000 other sky divers in the nation you can participate in an exciting and exhilarating sport which can claim far fewer accidents than occur in football.

Sky diving as an organized sport was first begun in France, where cloth extensions were used. Today a TU canopy is used which is considered ideal as it gives maximum speed and control.

This is a sport unlimited to age or sex; there are a twelve year old girl and a 54 year old woman jumping in California and in Michigan there is an 84 year old man who jumps once a year on his birthday.

A beginner with the Nodaway Sky Divers will be well trained before he goes up to jump; he is required to take a safety officer's test for which he will receive as much instruction as he requires. The club chutes may be used free for the first

ten jumps and may then be rented.

The jumps will be made Tuesday and Thursday afternoons and evenings until sundown.

Let's follow the decent of one of these divers. Under the direction of a jump master, he will climb out onto the strut of the plane at about 3,000 ft. On signal from the jump master, he will release his hold and will fall for about 10 seconds before his chute automatically opens by means of a static line attached to the plane. (At least five of these static line jumps are required before he is allowed to free fall.) For maximum security he will wear a reserve chute in a chest pack.

After his chute opens he will assume a spread eagle position, arms and legs outstretched. He will be falling through the air at approximately 120 miles per hour. At treetop level he will enter the prepare to land attitude, feet together,

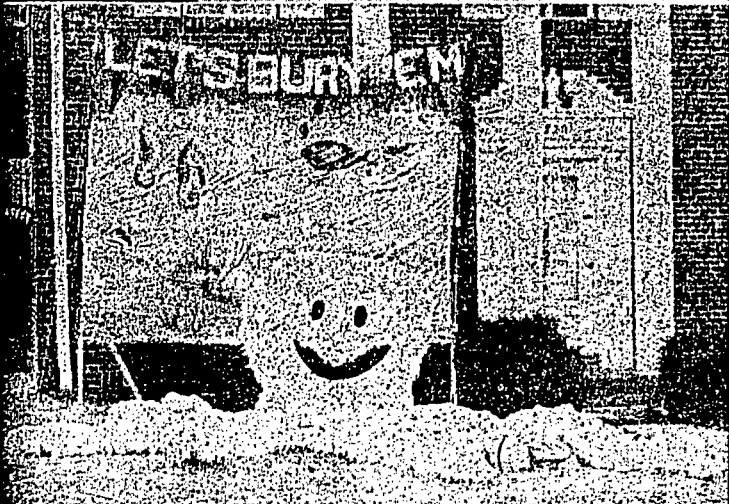

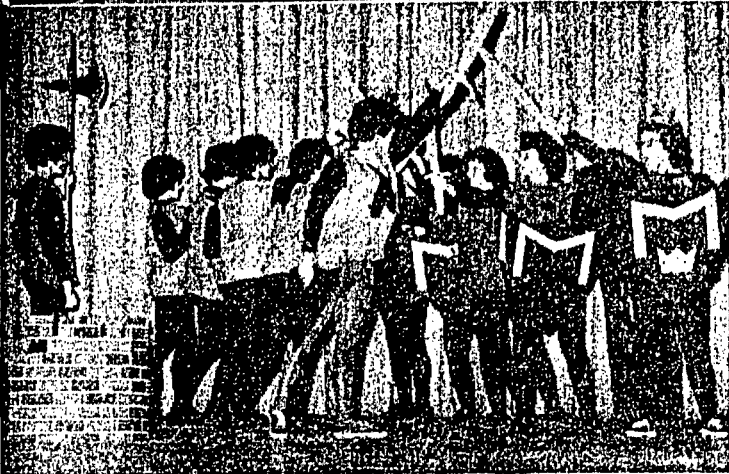

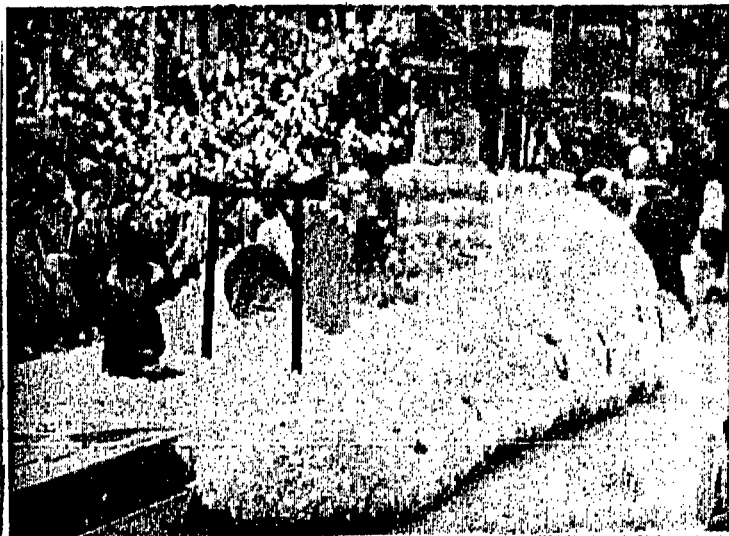

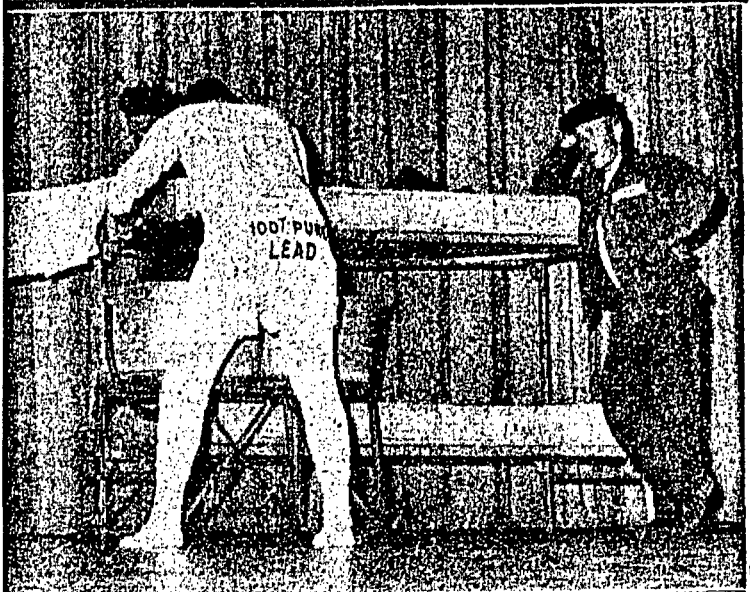

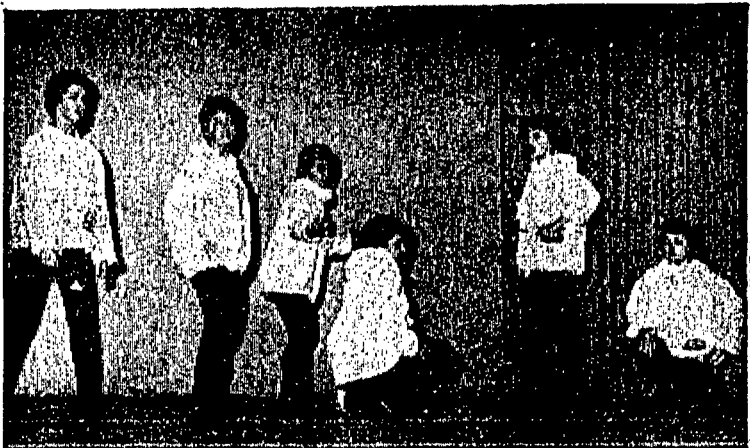

knees together and slightly bent, body relaxed and eyes on the horizon, not on the ground.

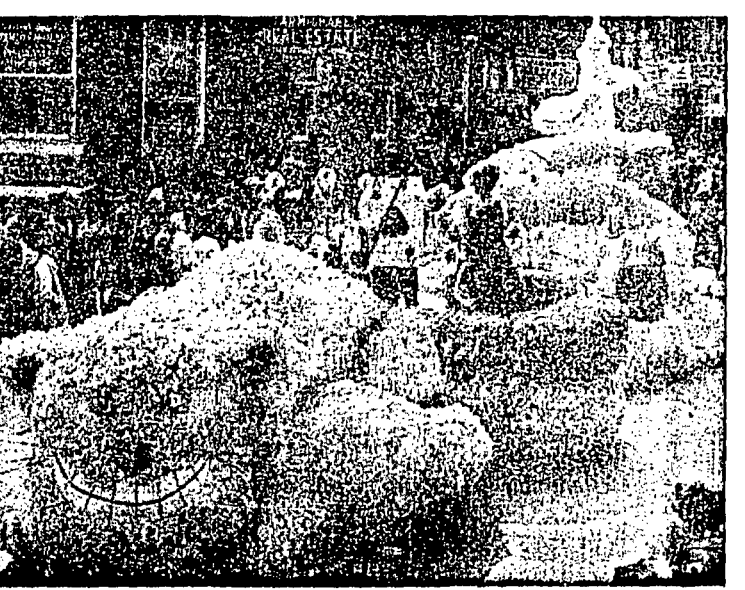

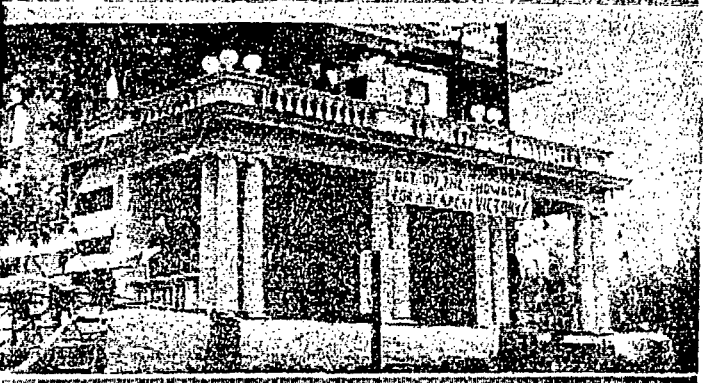

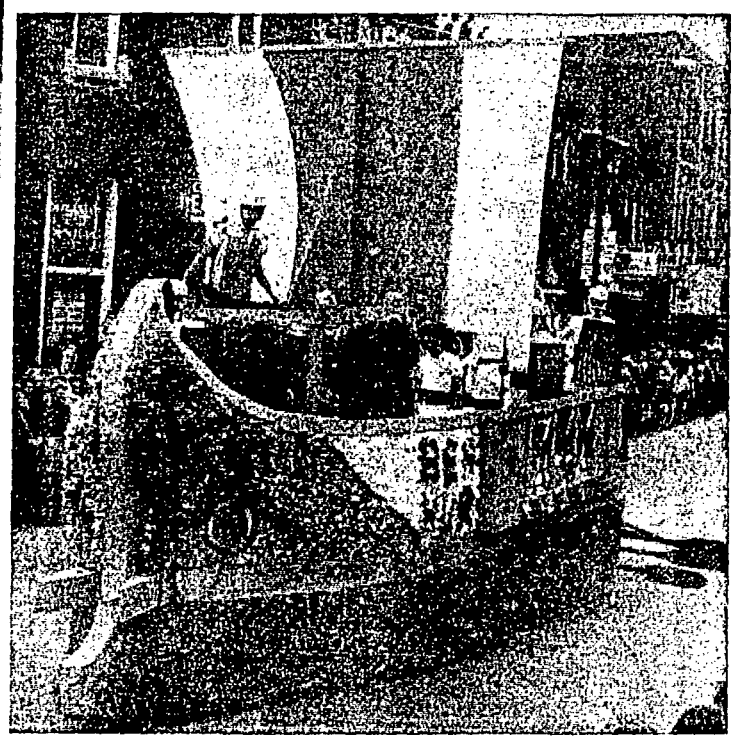

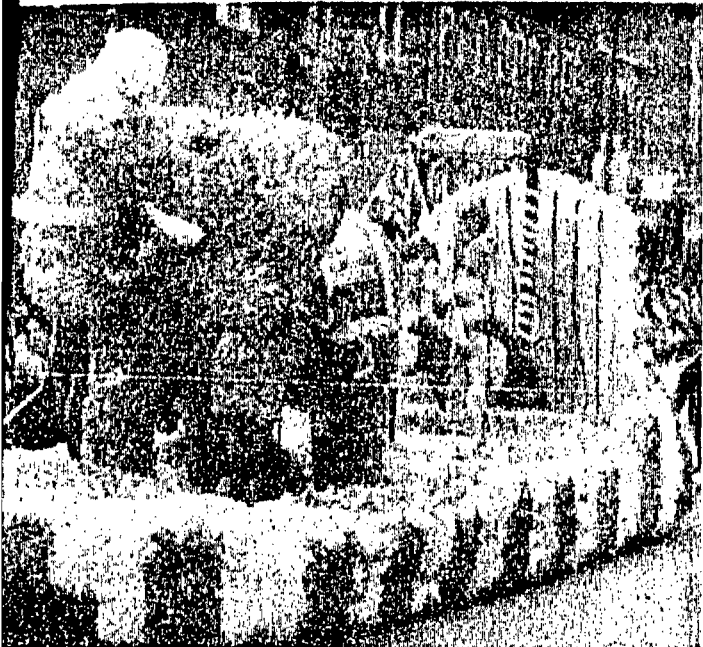

Anyone interested in joining the Nodaway Sky Divers should go to the Business Office in the Administration Building and sign the roster and a Hold Harmless agreement. (The Hold Harmless agreement which releases the airport owner from liability must be signed by the prospective sky diver in the presence of a notary public; if he is under 21, it must also be signed by his parents before a notary.

The fee for joining the group is \$9.50 for insurance with the Parachute Club of America and \$3.00 for the plane ride. Each jump thereafter is just \$3.00.

Anyone interested in further information should call Ronnie Chambers, who is organizing the group here as well as one in Tarkio which will eventually enter into competition with the Nodaway Sky Divers.

Chalk Talk . . . Bob Cobb

The professional basketball circuits are in preparation for this year's season's grueling campaign. The St. Louis Hawks have undergone a complete revamping job with Clyde Lovellette being the last to bite the cut-off dust.

By a stepped-up trading and recruiting program, the Hawks have come up with several outstanding new prospects. One of them being a sharp-shooting guard named Charley Vaughn. Bearcat players will remember that it was this same Charley Vaughn who starred for Southern Illinois in the MIAA Christmas tourney last year.

Offensive Power

Football coach Earl Baker shudders when Kirksville's high-powered offense is men-

tioned. It seems that the Bulldogs have four backs averaging over five yards per carry. The Bearcat mentor feels that Kirksville owns one of the finest small college teams in the Midwest.

Touch or Tackle?

This year's intramural program has been well-adapted to the greater percentage of the male enrollment. But after viewing the bruising results of one recent intramural touch football game, we wonder what happened to the spirit of fair-play and participation which is supposed to be the objective of this program?

More Baseball

When we heard that Cardinal mainstays Larry Jackson, Lindy McDaniel, and substitute backstop had been peddled to the Cubs for hard-hitting outfielder George Altman, pitcher Don Cardwell, and catcher Moe Thacker, we couldn't help expressing a great deal of regret.

Jackson had earned his reputation as a hard-nosed competitor of the old school while McDaniel was the Johnny-on-spot reliever who put out many an opposing rally.

If Altman hits at his usual 310 average and belts 25 homers, the trade could be a plus for the Cards. But that "if" is a very magnanimous word!

Mules Stomp Bearcats 13-0

The Northwest Missouri State College Bearcats dropped a 13-0 decision to the Warrensburg Mules in the annual 1962-63 Homecoming Day game.

Interceptions Cost

The Mules scored midway in the second quarter and returned the second half kickoff for a touchdown to account for the scoring. The Bearcats played inspired football afterwards, but two pass interceptions deep in Mule territory stopped their scoring drives.

Six in a Row

It was the Cats sixth straight loss of the season and second in MIAA Conference play.

Teammate Ranks Second

His running cohort, Mike Richardson has eight TD's for 48 markers. In the league scoring race, Richardson has two scoring runs, tying him for the circuit lead with Sample of Springfield, Kauffmann of Rolla, and Jackson of Kirksville.

Richardson and Sample are nip and tuck in yards gained rushing. The former has compiled an outstanding average of 10 yards per carry, with 460 yards in only 46 attempts. Sample has 476 yards in 101 carries, 4.71 per try. Kirksville has seven of the top 18 rushers in the league.

Daniels in Top 3

The injured Ball of Kirksville had completed 11 of 20 passes, 55 per cent, before going to the sidelines for the remainder of the season. Lane of Cape has 19 for 37, 51.37 per cent. Maryville's Don Daniels has 9 for 22, 41 per cent. Bernie Ricono has fired 20 times but has completed only four, 25 per cent.

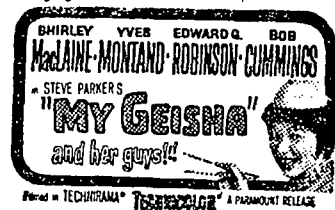

Pass Receiveds

Trailing Rolla's Wargo in the pass reception department is Brown, Cape, with 11 for 197 yards. The Bearcat's only receiver to qualify was Larry Richardson with five receptions good for 46 yards. Kirksville again dominated this department with five of the 13 top receivers.

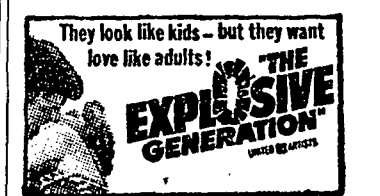

Rice, Warrensburg, and Cavanah, Kirksville, are the leading punters. Rice has booted 11 times for an average of 38.5. Cavanah has 12 for an average of 37.8.

Bearcat Cage Preview

The Northwest Missouri State College Bearcat basketball squad has started practice for the 1962-63 cage season and is pointing toward an improved record.

Coach Marion Moss is not overly optimistic but is thankful for material shaping into form. A well-rounded team appears to hinge on the adjustment of roundballers playing football and the development of a poised floor general for leadership.

Four Lettermen Return

Four returning lettermen head a host of promising cage prospects. They include Don Drake, 6-5 forward; Paul Lizzo, 6-3 forward; Jim Sanders, 6-2 guard; and Nick Neira, 5-10 guard.

Roger Voss, 6-8 transfer from Colorado University, will be heavily counted on during the coming hardwood campaign. As a sophomore, Voss was an All-Big Eight selection and ranked fourth in Big Eight scoring with a 17.9 scoring mark.

Transfers

Another lanky transfer, from Kansas City University, is Larry Richardson, a 6-6 sophomore, Bob Crawford, 5-10, and Richard Rishel, 6-3, are standout transfers from Creston, Iowa, Junior College.

Upper classmen are also expected to add depth and punch to the Bearcat attack. Returning members are Bill Taylor,

Terry Hiltalik, Randy Walcott, and Ron Brumley.

Frosh Report

A crop of prospective freshmen have reported to the early practice sessions. The beginning tryouts include Ray Palmer and Marvin Branch, both 6-5; Paul Retsell, Dick Tauchen, and Dave Raymond, all 6-4; and Bob Tonnie and Wayne Stiles, both 6-2.

The 'Cats recorded a 7-1 mark last season.

Don Daniel Named Best Back, George Redden Best Lineman

Don Daniels, left, and George Redden, right, were named best back and best lineman, respectively, during the State College Homecoming game with Warrensburg Saturday. Their selection was revealed at the annual dance Saturday night.

Daniels, top ground gainer of the game for the Bearcats, lettered last year and is from Norcross, Ga. A full-back, Daniels is 6-1 and weighs 190. He is a junior.

Redden, also a junior, was a power on defense and a key in the Bearcat offense as end. He hails from Kansas City and weighs 203 on a 6-foot frame.
